

## Benefits for membership

When becoming a member of the **ENMC Company Platform**, the company may participate as a full member. If your company is not in the position to take up full membership, we would be happy to discuss a tailored membership package. Please contact the Patricia van Dongen, ENMC Programme Manager at +31-651302931. With either one of these memberships, the companies are co-funding the overall activities of the ENMC, around 8 to 10 workshops per year, and will be associated with the mission and the heritage of the ENMC.

A **full membership** requires an annual contribution of **€ 20,000 \*** for a period of at least 3 consecutive years.

### **The benefits of a full member are:**

- Company Forum members will be invited to attend the ENMC General Assembly Meeting (GAM) every other year and will decide on the two themes for the ENMC Themed Workshops for the coming two years during the GAM .
- The company is acknowledged on the ENMC website with its name and logo.
- The company is acknowledged in the ENMC introduction presentation at each workshop, where approximately 25 leaders in the field of neuromuscular disorders will be present.
- The company is acknowledged with its name and logo at international conferences, such as the International Congress on Neuromuscular Diseases (ICNMD) and World Muscle Society (WMS), where ENMC has exposure with a booth, sometimes a symposium and/or posters.
- The company is acknowledged with its name and amount of sponsorship in the ENMC annual and its associated impact report which will be made available to all ENMC network members (<https://www.enmc.org/about-us/annual-report/>).
- Company Forum members will be mentioned in every scientific ENMC workshop report in the journal Neuromuscular Disorders.
- Company Forum members will receive notification mails about the approved applications and the year planning of the workshops.
- Company Forum members will be notified to the lay and scientific workshop reports as soon as they are published.
- Company Forum members will receive the biannual ENMC newsletter.

\*This amount is a tax-free amount since the ENMC is a non-profit foundation under Dutch law.
